NOTICE

Goa University by its circular dated 04/11/2022 has repeated Ordinance OS - 1 relating to conduct of Academic Programmes during the Covid-19 pandemic. As a result of this, two important matters need to be noted and brought to the notice of students.

1. Students with backlogs in Semester I to IV will not be permitted to take admission in Semester V.
2. The requirement of minimum attendance of 50% in each course and 75% overall for a student to be eligible to appear for Semester End Examination will also be implemented.

It has been informed by DHE that the attendance of First Year and Second Year students will be calculated through the IAIMS portal. Students not fulfilling the minimum requirement of attendance are likely to be automatically debarred from registering for the Semester End Examinations. The college authorities will not have any means to enable such students to register. Therefore, all students are to be instructed to regularly attend lectures and practicals in their own interest.

Modalities for justifying absence for official reason are being worked out and will be informed in due course of time.
